Letter No.2.C.3-4128, dated th
1930, from the Director, Indian Institute
Bangalore.

This relates to the import of the foll
drugs, from Messrs. Jeremiah Lyon & Co., London,
Director, Indian Institute of Science, Bangalore:-

1) 25 gramme Cocaine.
2) 25 gramme Cocaine Hydrochloride.
3) 30 gramme Narcoline.
4) 10 gramme Codeine.
5) 30 gramme Narceine hydrochloride.
6) 20 gramme Morphine hydrochloride.
7) 10 gramme Codeine sulphate.

The above drugs are not covered by rule II of the Rules framed by this Residency under the Poisons Act, 1919, (XII of 1919), as applied to the Station.

Apparently the import certificate required to be used in the present case is the one on page 2 of S.N.162 395-93.

Under the Bangalore Morphia and Cocaine Rules, these drugs can be possessed only under a license granted by the Collector. But perhaps the Collector can specially authorise the Director of the Institute to possess the above drugs, if he sees no objection to this course. Also the port of import in India where the consignment of the drugs in question is expected to land has not been stated: such of the particulars required at S.N.977a/115-1909 as are not given in the P.U.C. have to be ascertained from the Director.

Perhaps these papers may be sent to the Collector U/O for his views as to whether he sees any objection to the issue

issue of an import certificate. If there is no a possession order can be issued to the Director Excise Superintendent can ascertain the particulars mentioned at A above.

VF 1/3

Yes - but this should be done urgently, as delays in the issue of certificates.

6. (1) Why are there not two certificates required (a) to import + (b) to possess certain drugs?

The important point is to give the Director a licence to import & this should be done forthwith.

There can be no objection to an institution like the Indian Institute of Science getting reasonable quantities of drugs.

Once the import licence has issued, we can arrange for a possession licence through Collector.

2) I have spoken to Dr Forsle & we should ask him by X.L. for the details required. Does one want anything more than the proof of import?

Letter No.R.C.58/30, dated the 18th March,1930, from the Collector, Civil and Military Station, Bangalore.-

Please see S.Nos.4 and 9.

The drug 'opium' is defined in section 3 of the Opium Act,1878 (I of 1878) and 'morphia drug' means any - alkaloid of opium or salt thereof or any preparation - containing all these ingredients-vide rule 2 (h) of the Morphia Rules contained in the Residency Notification,No. 39, dated the 27th May,1921. 'Cocaine' is defined in rule I (2) of the Residency Notification No.15, dated the - 20th February,1923.

It would appear that the draft notification - forwarded with the P.U.C. can properly cover only Opium and morphia as the authority quoted for its issue is the Opium Act, 1878 (I of 1878). It is submitted therefore that the Collector may be requested U/O to forward a draft of a notification authorising the Director, Indian Institute of Scinece, the possession of cocaine also apparently, under the Excise Regulation,1915 (I of 1915) as applied to the Station. (2) to state the maximum quantity of each drug that may be kept. (Para 16)

Subject:- License to import Narcotics.

Sir,

I have the honour to inform you that our Agents in London, Messrs. Jeremiah Lyon & Co., with whom we recently placed an order for narcotics intended for the purpose of carrying out experiments at the Institute, wrote as follows:-

"There are several items against the order which cannot be forwarded to you at present, as these preparations are Narcotics and as such subject to the restrictions of the League of Nations. The following items can only be supplied if you can furnish us with an Import certificate, issued by the officials of your country -

25 gramme	cocaine	30 gramme	Narceine hydrochloride
25 "	" Hydrochloride		
30 "	Narceine	20 gramme	Morphine do.
10 "	Codeine	10 gramme	Codeine sulphate."

Thereupon the Secretary to the Government of Madras, Law (General) Department was addressed to issue the necessary license in case he was the proper authority to grant it, and he replies under date 20th February, 1930, that I should "address the Hon'ble the Resident in Mysore in the matter" and that the rules framed under the Poisons Act No.XII of 1919 do not provide for the Madras Government taking action as requested by me.

I therefore request that you will kindly issue the necessary license so that I may forward it to our Agents in order that they might supply the above narcotics.

I have the honour to be,
Sir,
Your most obedient servant,
M. O. Forster.
Director.

Letter No. C.W.M. 300, dated the 13th September, 1930, from the Municipal Executive Engineer, C and M Station, Bangalore.

Please see S Nos. 1 to 4, 7 and 8.

In his budget estimates for 1931-32, the Municipal Executive Engineer has estimated the cost of the following works as noted against each:-

	Rs.
Quarters for 4 Sub Inspectors ----------	30,750
Quarters for 2 Head Constables----------	3,000
Quarters for 23 Constables----------	18,000
Quarters for 1 Confidential Assistant--	7,000
Acquisition of land for the above------	30,000
	88,750

As the scheme costs more than Rs. 20,000, sanction of the Govt. of India is necessary. Under para 86 of the Central Public Works Department Code, it is only after sanction has been received that steps can be taken to acquire the land.

Perhaps the Municipal Executive Engineer may be informed accordingly and asked to submit estimates and plans as early as possible.

Through

The District Magistrate,
Civil & Military Station, Bangalore.

Sir,

I have the honour to state that land is required for quarters for 3 Sub Inspectors, 1 Head Constable and 15 men of "B" Division. I have inspected all possible suitable sites. I recommend the acquisition of No.9 Coles Road belonging to Messrs. Syed Oosman & Co., New Market Square, as quarters for one Sub Inspector.

2. For quarters for one Head Constable and 15 men I recommend the acquisition of No. 1, Saunders Road, belonging to Haji Sir Ismail Sait. There is a vacant piece of land North of the Infantry Road Police Station suitable for the erection of quarters for one Sub Inspector. This land already belongs to Government.

As regards the remaining Sub Inspector I recommend the acquisition of a plot of land opposite the Broadway Police Station.

3. The Executive Engineer may be instructed to report on these sites before further action is taken.

SIR,

S.K.2
Mag 7

With reference to your letter No.9929 dated the 21st November 1929, I have the honour to report as follows:-

The Commissioner of Police recommends (i) the aquisition of No.9 Coles Road for quarters for one Sub Inspector; (ii) aquisition of No.1 Saunders Road for quarters for one Head Constable and 15 men; (iii) the vacant site north of Infantry Road Police Station for quarters for one Sub Inspector; and (iv) aquisition of the plot of land opposite --- Broadway Police Station for quarters for the third Sub Inspector.

As regards (i) the aquisition of the land and building would cost about Rs.8,000/-, the main building is not in a very good state of repair and the outhouses are in a very dilapidated condition. To make the house fit for habitation would cost about Rs.1,500/- to Rs.2,000/- thus making the total cost of the Sub Inspector's Quarters Rs.10,000/-.

(ii) Aquisition of No.1 Saunders Road would also cost about Rs.8,000/- and the dilapidated building standing on the land would have to be completely dismantled so that --- Rs.8,000/- would have to be paid for one acre of land plus cost of constructing quarters for 1 Head and 15 Constables.

P.T.O.

(iii) The vacant site to the north of Sub Inspector's Quarters, Infantry Road Police Station is too small for a building of any description.

(iv) The vacant site opposite Broadway Police Station has been built upon by the Municipality.

I have discussed the question of sites with the Commissioner of Police and he told me that he would prefer to have all the quarters in the vicinity of Blackpally Police Lines if suitable land could be obtained there. I therefore suggest the following sites marked A, B and C in red pencil on accompanying map of part of the station.

Site "A" is large enough for quarters for 3 Sub Inspectors, 1 Head Constable and 15 men.

Site "B" is also large enough for the same purpose.

And site "C" would be suitable for quarters for 15 men and one Head Constable and, quarters for the three Sub Inspectors could be built on Municipal land indicated by double hatching in red pencil and marked "B" in accompanying map. Cost of acquisition of the 3 sites -- would be as follows:-

"A" measuring about 2½ acres, cost about Rs.14,500/-.
"B" measuring about 1¾ acre, cost about Rs.20,000/-.
"C" measuring about one acre, cost about Rs.1,000/-.

If site "C" is selected, the southern portion of site "B" indicated by double hatching on accompanying map will also have to be -- acquired for Sub Inspector's Quarters and the cost of acquisition will be about Rs.5,000/-.

It will thus be seen that the cheapest, most open and largest site is that marked "A" on map and I venture to remark that it would be most desirable that all the buildings should, as far as possible be located on one block of land and not scattered. I regret the delay in in replying to your letter regarding the matter.

I have the honour to be
Sir,
Your most obedient servant,

EXECUTIVE ENGINEER.

SIR,

I have the honour to invite a reference to your letter No. 3359/342-1929 dated 21st April 1930, sanctioning the renting of a house at a cost not exceeding Rs. 6/- per mensem for the 2 Head constables till quarters for them shall have been constructed.

My letter asking for sanction was intended to convey the meaning that each Head constable should be paid house rent at Rs. 6/- per mensem but the above sanction is interpreted by the Pay and Accounts Officer to mean Rs.6/- for both the Head Constables.

As it is not possible to get suitable accommodation for a Head constable at less than Rs. 6/- per mensem I request that an amended order may be issued sanctioning house rent at Rs. 6/- per mensem for each Head constable.

Sir,

S.W.11 With reference to your letter No. C.W.E.300, dated the 13th September,1930, I am directed to say that, as the proposed scheme is likely to cost more than Rs.20,000/-, it requires the sanction of the Government of India. Necessary plans and estimates should therefore kindly be prepared and forwarded to this office so that the Government of India may be addressed. After receipt of their sanction, steps should be taken to acquire the land. In this connection, a reference is invited to paragraph 86 of the Central Public Works Department Code.

2. I am, however, to say that it is regretted that it will be impossible to allot funds to the above work until it can be seen to what extent the recent troubles in India are likely to affect the revenues of the Assigned Tract, and that in no case can any allotment be made in 1931-32.
